Christmas Party!

The 15th December is our last day before we break up for Christmas and we've having a Xmas party. There will be food and games for everyone! Fancy dress optional.

Safety awareness during late evenings

We love how independent our club attendees are and it's great that most are confident enough to walk home on their own or with friends. We would like to request that any young people who are walking home alone make sure they have a phone with them.

The nights are getting darker and if your uniform is all black maybe consider adding some fluorescent tags to your coat or bag to help stand out to traffic. Head torch anyone?

Upcoming Activities

24th November – 15th December 2021

| DATE | ACTIVITY | EVERY WEEK |
|----------|-----------------------------------|--|
| 24th Nov | Autumn collage with foraged items | <ul style="list-style-type: none"> • Snacks • Arts and crafts • Games console • Core Group happen every week alongside our planned special activities. |
| 1st Dec | Decorating gingerbread people | |
| 8th Dec | Making Christmas decorations | |
| 15th Dec | Christmas party | |

Focus on Young People

Halloween Party success!

A couple of weeks ago we had our first youth club party and we're so happy to announce its success, We had some great feedback; "best party ever been to" and "thanks for the memories, I'll remember this forever!"

On the day we had a mask making workshop so every child that came could have a costume. We have a large range of arts and crafts to use so young people were able to make everything from a floral day of the dead headpiece to shimmering serpent mask. Once masks were made and faces were painted the games could begin!

We'd like to make a special mention for Donny who, with apple bobbing skills never seen before, had a dramatic win of 15 apples to 3!

We enjoyed Halloween themed food and prizes and we want to say a massive thank you to everyone who came and made it such a memorable day. We are really impressed with the kindness of the young people we have coming, everyone is so inclusive and welcoming to all new members.

Over the October half term we were able to host another fantastic Forest School day! It was brilliant to see everyone enjoying themselves in the great outdoors and of course learning new skills.

We made pancakes from acorns, baked bread on the fire and made creatures also from acorns. We hope to be able to put on more regular forestry days in the future, the kids who came asked for weekly classes and we hope one day we have enough funding to provide that for you all.
